Wrestling Team Has Winning Season

The Rock Island Wrestling team compiled an overall record of 12-5. Freshman headcoach Walt Gerber's "Rassling" Rock Army not only established a respectable dual meet record but captured fifth place in the sixteen team Palentine Tournament and a third place finish among the eight teams at the Davenport Invitational. Coach Gerber lists his best varsity wrestlers as Tim Golden (105), Louis Wells (112), Dirk Palmer (132), Andy Rich (138), and Wayne Each (145).

For Coach Tom Goodwin, Outstanding Junior Varsity Wrestlers were Buddy Hay, Don Williams, Dave Wayne, Dave Hodge and Steve Layer.

The Sophomores with Coach Sellers also enjoyed a good season this year. In the Big Six Conference Jerry Freelove (119), Denis Copenhaver (138), Steve Goodwin (132), and Bob Taylor (HWT) each took 1st in his weight while Steve Green took a 2nd at 167 and Bob Kapraun took 3rd at 155. Robert Taylor and Bob Kapraun were both Panther Sophomore Tourney Champs. With a sophomore team like this we can expect a fine squad for years to come.

RIHS Tennis Team Is Undefeated

Last fall both the varsity and junior varsity tennis teams finished another undefeated season. The varsity netters, under the direction of coaches Motz and Weiner, finished their fall season with the same results as last year's spring season, beating all teams 9-0, with the exception of Moline, which they defeated7-2. Besides winning all of their regular season matches, they won the spring-fall Quad-City Conference. Last fall the Quad-City Conference Tournament was held. Everyone on the team won. In singles play, Sophomore Kelly Thurman took the first place spot, followed by Tom Myers, Tom Roller, Joel Sax, Larry Erikson, and Dave Dickerson. In doubles play, Thurman and Roller took first place, with combinations of Myers and Sax, and Erikson and Dickerson following.

The varsity squad also won the Rock Island Invitational Tournament and were district champions. They went on to the State Tournament, where they took 7th place. In state competition Kelly Thurman and Tom Roller got to the third round in doubles play.

All in all, the varsity squad had another great season, stretching their winning streak to 42 straight victories.

Victory! Eighty-eight Times

The girl's tennis team recently finished another great season, winning all matches in their 1973 Fall tennis schedule, which gave them another win of the Quad-City Metro-Conference. They now have had 88 straight victories, stretching since the Spring of 1970.

This fall they won the district team titles, with Susie Briggs taking first place in singles play, and Carol Foss and Beth McLaughlin taking the first place spot in doubles play. The team then advanced to the State Tournament, taking 5th place.

The outstanding player on this year's team is Susie Briggs, with 81 straight win in Metro-Conference singles and doubles play.

Swimmers Stroke to Win

The Rock Island "Dolphins" finished a successful year with a 12-6 dual meet season which is the best in the past four seasons.

The team was led by senior Dave Andrews who specialized in the 200 Individual medley and 100 yd. Freestyle, and Vince Ackerson, a junior whose speciality was the 200 and 500 yd. Freestyle event, but was capable of swimming any event if called upon. These two young men teamed up with Curt Danner, Jerry Wagner, Mike Dingldein and Rob Cowan to win numerous times in the 400 yd. Freestyle relay.

Senior Curt Danner won the Quad-City Metro-Conference title in the 50 yd. Freestyle and Senior Jerry Wagner won his speciality the backstroke in most meets through out the year.

2.

The diving team was led by Junior Nick Klatt and Senior Joel Thompson.

In the Quad-City Metro, the Dolphins finished a close second to Moline, battling right down to the final relay.

In addition to an outstanding swimming season, the team entered the fall Water Polo Tournament Series and won their division to qualify for the state meet. At the state meet honored by receiving an "honorable mention" rating for his tournament play as goalie.

Graduating seniors include: Dave Andrews, Curt Danner, Steve Gang, Steve Jingst, Bruce Johnson, Leslie Johnson, Mark Pierson, Joel Thompson, and Jerry Wagner.

Pom Pon, Pinettes Help Boost Spirit

Red and Gold streamers on the wrestlers lockers, and peppy girls at the wrestling meets heralded the arrival of a new group at Rocky this year. The Pinettes helped to boost the wrestlers spirit before and during each match, aiding then in a very successful season.

The Pom Pon girls were in their second year of their existance this year at Rocky. Under the coaching of sponsor Miss Thornton, and accompanied by the Pep Band, they entertained during the half-times of the Basketball games. A highlight of their year was a trip to Galesburg.

Cheerleaders Boost School Spirit

Twenty-one cheerleaders, all chosen by outside judges, cheered our teams on to victory. This year, the varsity football and basketball squad was composed of six junior and senior girls; the swimming and wrestling squad of ten junior and senior girls; and the sophomore squad of five sophomore girls. The swimming and wrestling cheerleaders were divided into two squads and alternated cheering for wrestling and swimming meets.

The twenty-one cheerleaders promoted spirit through the new cheers that the varsity football and basketball cheerleaders learned this summer at the University of Illinois. "Icky, dicky, do wah; and one, two, three, four, five, mighty ROCKS don't take no jive," echoed through the halls of Rocky to bring a new spirit to Rock Island High School.

PEOPLE

Girls Given Opportunity for Competition in Area

This year four competitive teams have been added to the already existing Girl's tennis, golf, volleyball, and basketball teams. They are bowling, gymnastics, track, and softball. The bowling and softball teams are coached by Marcia Lange, and the gymnastics and track teams by Mrs. Brent. The bowling team consisting of four junior and senior girls won the district tournament and finished eleventh in the state tournament. The gymnastic team competed in two meets, one with Assumption's Junior Varsity and the other with Moline. The team lost both but is practicing for next year. The softball and track teams will compete this spring with area teams.

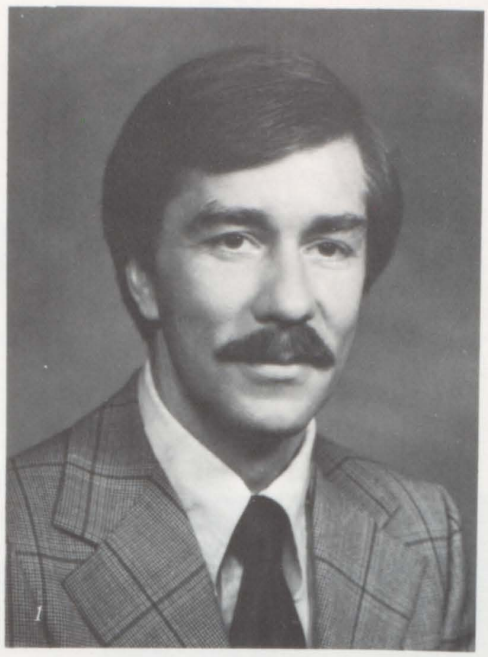
Dr. Kritzmire Begins First Year



The Rock Island School Board is responsible for any changes taking place here at Rocky. The task is a formidable one and our School Board is to be commended for the excellent job it has done. The student body should be especially appreciative of Dr. Kritzmire's dedication in his first year as Superintendent of Schools.

Mike Foley, Liz Lardner, and Bob Nache were elected as this year's student representatives to the school board. They provided a link between the student body and the School Board, preventing many problems and clearing up others.

New Guidance Complex Completed

A lot of good things have been happening to our counseling staff this year. Miss Sandy Stoit, formerly an English teacher here, has joined the staff. Room 216, (remember study hall?), has been turned into a new complex of which the counselors think very highly. The complex has a room where the representatives from colleges who come to Rocky can meet with interested students. There is also a library of college catalogs available to the student body.

Student-Taught Class

The English Department initiated three new courses this year: Space, Swords, and Time; Literature Seminar; *and* What's Happening? — Film Communication II. Space, Swords, and Time *examines good science fiction.* Literature Seminar *is a student-taught class — the first at Rocky, and it is proving worthwhile. The film class is for advanced film students who are able to produce their own films.*

New Conference-Call

Past is past, and our history courses which tell us of the past are expanding more and more. History, by next year will have twice as many courses offered. The Government classes are now being broken down into mini courses, while the Economics classes are still budgeting. In the news this year are the new conference-call system set up in rooms 152, 10,316.

Language Widens Scope

With the growing interest in foreign languages, it was possible this year for students to broaden their knowledge of foreign cultures. Miss Sholl's third and fourth year French classes took a field trip to see a play put on by a traveling French troupe at the University of Illinois. The Spanish IV class attended a high school production of a Spanish play. Although the German department had no special project this year, the classes have increased in size, so that future projects look promising.

Advancements in Science Department Aid Students

A change in needs is a change in Science. This year Rocky's Science Department has made several changes in order to keep up with the change in the needs and wants of our students. One new change is the new laser which the Advanced Physics class is using in some of their experiments. Another welcome addition to the Science Department is Mr. Terry Hunt. Mr. Hunt once taught in Australia and now teaches Biology here at Rocky.

Mr. Anderson and Mr. Ryner both acquired new furniture which is especially suited for mathematics classes. The math department also has its own office now and one third floor wing is all math.

The Business Education Department at Rocky is offering fifteen courses this year, ranging from Shorthand to Business Law. New Equipment Adds Variety in Girls' PE

Girls Gym offers a great variety of activities for female students. Swimming, trampoline, gymnastics, soccer, and field hockey are just a few of the units offered each year. Athletics is usually thought of as being primarily for boys. This makes the girls gym classes doubly important because they provide an opportunity for girls to try sports which they would otherwise have no acquaintance with.

Mechanics Are Motivated

Even if a Mechanical Arts student never uses what he learns in a working situation, it will still be valuable to him. The things learned in Mechanical Arts classes can be useful anywhere. A student may learn to draw plans in a phase of Mechanical Arts, and in another phase he may learn to build things that he has planned. In any case, no matter what your life's plan may be, Mechanical Arts will always be useful.

Dr. Paxcia thinks that keeping up the school spirit is part of the band's job. This fall the band stayed for the entire game, instead of leaving at halftime. They also played at an away game for the first time, traveling to Galesburg, and introduced a new halftime format.

The band played for the opening of the new Interstate bridge in October and at the last home football game they hosted the Purdue band.

Driver's Ed Strives to Produce Better Drivers

In a seemingly endless effort to produce better drivers, the Driver Education department combined their skill together with a new instructor, Mr. Del Nicklaus. Before this year's students got behind the wheels of their new 1974 cars supplied by local dealers, the staff found it necessary to emphasize and interpret the new traffic signs. More visual aids on motorcycling were shown to make this year's students more aware of its handling and operation.

Vo Tech Serves City

The students who attend class in the Vo Tech building do everything from changing oil to painting cars to overhauling engines. Students, teachers, and people from the community all bring their cars to Rocky to be serviced. The director, Mr. Kline is in charge of the VIP program at the "Y". Last year 11 students received high school diplomas. VIP now has prospective students on a waiting list for openings in the classes and Mr. Kline is considering doubling the present enrollment of 40 students.

The Cooperative Work Programs are part of a larger program which is nationally organized. Students not only learn in the classroom, but also work part-time in order to gain valuable experience in their chosen career areas. This program is not only popular with students but also with the local businesses that employ them. This year there were more jobs open than the number of students participating in CWT.

Many Changes in A-V Center

The Audio-visual department, the Library and the Clinic are departments which seldom get any recognition for their work. It would be difficult to run the school without them.

This year the Audio-visual department had a new manager: Mrs. Hortense Martinez. A new position has been created in the Audio-visual department, that of technician; filled by Mr. Walter Ball.

Workers Keep Rocky Running

Sometimes we don't hear about the non-certified staff, but it's these people who do the multitude of tasks that keep a building that houses almost three thousand people running. Problems like piled-up milk cartons, snow-bound sidewalks, finicky heating elements, jammed lockers, fun-filled food fights, persnickety plumbing, faked I.D.'s ... and innumerable other problems.
